Protocol nr 146

Name of the protocol: Barometer

Sources: -

Purpose of the protocol:

Reflect and evaluate a session

Materials:

Sheets with barometers for each participant

Time:

15 minutes

Roles:

Facilitator

Process:

1. Hand out the sheets with the barometers
2. Ask the participants to scale the three questions in the barometer and think about an explanation for the given marks. (5 minutes)
3. Discuss the results in the group: (suggestions)
 - a. Per person: ask the mark they have given a certain question and let them explain why. (no reaction of other participants)
 - b. Calculate averages for each question and discuss the meanings of then calculated numbers.
 - c. Per question: invite everybody to react when your go over all the questions.

Debrief:

Debrief the process with the whole group. Did they reflect?

Barometer

Questions:

- A. How do you value today's session?

- B. Scale what impact this session will have on your work?

- C. Scale your participation in today's session?
