LPC_IO2_A05_080_INQUIRY PRESENTATION SHEET_UK

Developed by: (Dene Magna School) Klik hier als u tekst wilt invoeren.

Name of the material

Inquiry Presentation Sheet

Sources

Purpose of the material

To give a brief, straightforward guide to an educator's Inquiry
To help educators to decide, quickly and easily, if this Inquiry will be useful for them to read.
This protocol is especially useful in institutions that are showcasing a lot of Inquiries at once.

Material

Online copies of the resource
A computer & internet connection
A PDF Reader/Editor
30-45 Minutes

How you can use this material in your practice

This can either serve as a 'Front Sheet' to an Educator's Inquiry, or it could be enlarged and used as a poster to be used at a conference or meeting of educators.

Debrief - reflection and metacognition

Feedback on the use of the tool

“This is a really easy way to distil my inquiry quickly and visually”.

“I found this really helpful - it was so quick to look at and decide which inquiries were really relevant to me and my subject”.
